

Thank you for purchasing a DroughtBuster. Your feedback is very important to us and is reviewed personally, so please do get in touch with us if you have any comments or suggestions.

Previous customers have asked us for something to give to neighbours who have seen DroughtBuster being used and are curious about it. We have therefore prepared some handouts for you to use if you wish.

Dear Neighbour

We are watering our garden during the hosepipe ban using

## **DroughtBuster**

DroughtBuster recycles bathwater onto the garden so we can save our plants during the drought.

Because DroughtBuster doesn't connect to mains water, we can use it with our hosepipe without flouting the current water restrictions.

For more information on DroughtBuster visit [www.droughtbuster.co.uk](http://www.droughtbuster.co.uk) or call 0870 803 1255  
DroughtBuster costs £19.99 inc p&p
